\*Bows\*

Please forgive my absence.. I was in a bad way for the past few months. I ...was kinda kicked out of my house... and well. Had to go live with my parents who are in the middle of no where. Dont have Internet. I was living with my....well what would have been signifagent other. ...but... i dont know what happened. My life was turned upside down for along time. was fired the day before it all happened too..

But now..im kinda on my feet ..back in a job which is cool. and Hopefully will be seeing yall back In-game. I think...jeeze..everything has changed wo much.. New will ba back ASAP....well once i have everything downloaded again.

Seren...frag one for me!
